1. At yesterday's NFIB meeting, the DCI announced that he would host the next Senior Management Conference on 8 and 9 November at [redacted]

2. Preliminary plans have the SSCI and HPSCI Chairmen and Vice Chairmen invited to join the group for discussions on the evening of Sunday, 8 November. The agenda for the Monday sessions has not been set and I would like to solicit your (and your principals') input of candidate issues/topics. Please provide a short list of three or four topics your organization leadership would like to see discussed with the DCI at the Conference. A brief paragraph covering background (if necessary) and the particular aspect of the topic or issue that should be focused on would also be appreciated. [redacted]

3. In order to consider your suggestions, I will have to have them by close of business Tuesday, 6 October. The PWG will probably meet some time in the two weeks preceding the Conference to allow us to exchange thoughts in the final agenda and coordinate our briefings to our principals. [redacted]
